

Special Equestrians, Inc.

- As you turn into Indian Springs School, you will follow the main road (Woodward Drive) through the campus. It is a reversed S-shaped road. You will end up with the lake on your right.
- Woodward Drive will eventually turn into a dirt road. Once it does, you will turn left and go over a bridge, remaining on Woodward Drive. (If you go straight, you will go into the lake area.)
- After crossing the bridge, you will see the stable on your left side.
- **Volunteers** can park on the right hand side before the turn. There are railroad ties marking the parking area.
- **Riders** will continue around the corner, past the stable and park on the left immediately following the stable. All riders may park in the Handicapped Accessible Spaces. Please reserve those closest to the stable for Wheelchair Participants.

1215 Woodward Drive, Indian Springs, AL 35124
